Explosion-proof distribution box control panel

Overview

A series of control and distribution panels made from aluminum. Ex d and Ex tb certified for installation in explosion-hazardous areas. Suitable for use in gas group IIB+H 2 environments. Customizable configuration of operators, cable entry quantities and cable gland types as per. Atexdelvalle offers world-class explosion-protected solutions guaranteeing highest quality and performance with no compromise.) ·Enclosure: stainless steel. Designed with robust flameproof enclosures and certified operating. Explosion-proof Power Distribution Panel MAMX-02 and MAMX-03 * In-built circuit breaker, AC Contactor, Thermorelay, PLC, Transducer, Soft starter and other components, The panel can install indicator, Pushbutton, Universal switch, Display instrument.
